

1. Drivers approaching the DDI can decide to enter Interstate 89 (I-89) or stay on U.S. Routes 2/7 (U.S. 2/7).

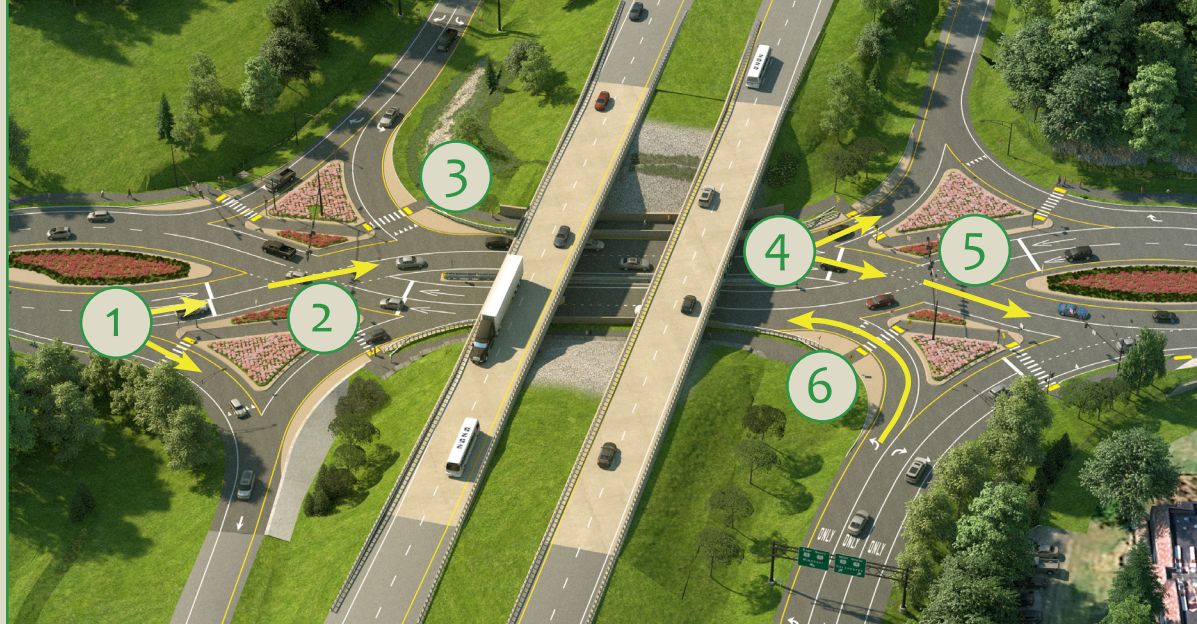

2. Drivers on U.S. 2/7 cross to the left side of the road at the first traffic signal.

3. Pedestrians and bicyclists use shared paths and cross safely at crosswalks.

4. Drivers again decide to enter I-89 or stay on U.S. 2/7.

5. Drivers on U.S. 2/7 cross back to the right side of the road at the second traffic signal.

6. Drivers exiting I-89 stay to the left when turning left. U-turns to re-enter I-89 are easy for drivers as they stay on the left.
